

Baying Bracket, MCPL

FEATURES

Feature: A baying kit including snap-lines, mounted on the interior of the profiles, to allow for side-to-side baying of an IEC Modular Enclosure with a Proline floor standing enclosure

Advantage: Tool free assembly without the need to remove the door and rear panel

Benefit: Reduction of assembly time

Comment: These brackets should not be used in combination with a separation plate or mounting plate if mounted on the side of the enclosure

Baying Brackets are zinc plated; Frame Extension Profiles are powder coated light gray RAL 7035

SPECIFICATIONS

- Thickness:

3mm
- Color:

Light Gray
- Finish:

Powder Coated; Zinc Plated
